# Principals' Message

Dear VVS Families,

On behalf of our amazing faculty and staff, it is our pleasure to welcome you to the VVS School District for the 2022/2023 school year. We would like to begin by welcoming families and students new to the VVS District. We look forward to partnering with you. We would like to also give a special thanks to our families for your resilience, flexibility, and patience as we rose above the many challenges that began in the spring of 2020. We walked away from this unprecedented period with many new and reimagined practices that elevated our work with students. The VVS community continues to come together in ways that reveal just who we are. For that, we cannot thank you enough!

The 2022/2023 school year brings on new opportunities to better serve both students and families. By working in unison as one community, the VVS community, we will better realize the aspirations we have for our district. We will continue to provide a safe, caring, and supportive experience for all students and challenge our students in their academic pursuits.

Thank you again for all that you do for our students. We are here for you and will assist you in any way we can. We look forward to serving you. Please feel free to contact us with any concerns or questions.

Sincerely,

**Carrie Hodkinson**
